

Ubiquiti airFiber 60 HD Multi-Gigabit PtP

Part Number / SKU: AF60-HD • Multi-Gigabit 60 GHz Point-to-Point Bridge with Sub-Millisecond Latency

Key System Highlights:

- Multi-gigabit throughput delivering 6.0 Gbps (3.8 Gbps aggregate with channel bonding)
- Pencil-beam 60 GHz link operating across 57 to 66 GHz spectrum up to 2.0 km range
- Equipped with 10G SFP+ cage plus 1 GbE PoE-In port for versatile connectivity
- Sub-millisecond latency ideal for enterprise campus backhuls and zero-loss video streaming
- Precision alignment bracket with fine elevation and azimuth adjustment included

RF SPECIFICATIONS

Operating Frequency	57 to 66 GHz (Worldwide V-Band)
Throughput	6.0 Gbps (using 2160 MHz channel bonding)
Maximum Range	Up to 2.0 km (1.2 miles)
Antenna Gain	38 dBi integrated dish
Channel Bandwidth	1080 / 2160 MHz

HARDWARE & MECHANICAL

Interfaces	1x 10G SFP+ optical port + 1x 1GbE RJ-45
Power Input	48VDC Passive PoE (4-pair or 2-pair)
Power Consumption	29W maximum
Dimensions / Weight	Dia. 189 x 89 mm (7.4 x 3.5 in) / 1.8 kg (4.0 lbs)
Weather Rating	IPX6 Weatherproof; -40°C to +55°C operating range

RECOMMENDED ACCESSORIES, MOUNTS & LICENSES

Category	Manufacturer SKU	Description	Est. MSRP
Surge Protector	ETH-SP-G2	Ubiquiti Ethernet Surge Protector Gen2	\$19.00
PoE Injector	POE-48-24W-G	Ubiquiti 48VDC 24W Gigabit PoE Injector	\$19.00
