Streamvault SV-4000E

Turnkey rackmount security appliance

The Streamvault™ SV-4000E is a rackmount security appliance that delivers enterprise-grade performance and reliability. Its certified hardware configurations and out of the box hardening against cyber threats simplifies the design and deployment of a new security system. With Security Center pre-loaded, you can deploy it in the field immediately and get your system up and running faster.

Guaranteed performance

- up to **4,135 Mbps** total throughput
- up to **2,000** readers
- up to **75** ALPR cameras
- up to **672 TB** storage

SV-4041EX-R28

Key features

- Turnkey appliance with Genetec™ Security Center pre-installed
- NLSAS storage with RAID 6 configuration
- iDRAC9 Enterprise for local and remote server monitoring
- Machine learning endpoint protection
- 5-year hardware warranty with Keep Your Hard Drive and Genetec Assurance with next-business day on-site service

Benefits

Increase system resilience – The SV-4000E's SAS storage protects your system against data loss and provides a more fluid experience.

Protect your security system – Streamvault appliances help you build a resilient security system that protects your data and operations. Our cyber security experts stay vigilant on evolving threats and help identify and address new vulnerabilities promptly.

Get up and running faster – Shorten deployment time and simplify planning with Security Center pre-installed and ready to go.

Applications

Critical infrastructure

Deploy a unified security system with video surveillance, automatic license plate recognition and communications to provide your team with a complete view of events.

Transportation

The SV-4000E appliance scales seamlessly with your needs and delivers advanced security capabilities, such as video analytics, interative maps and more.

Education

Protect students and staff across your campus and unify video surveillance, access control, intercoms

Technical specifications

OS
Windows Server IoT 2025

Processor
SV-4041EX-R6S:
2x Intel® Xeon® Silver 4410Y
Passmark: 29,585

SV-4041EX-R28:
2x Intel® Xeon® Gold 5416S
Passmark: 36,391

Memory
64 GB DDR5

Ethernet
2x 1GbE RJ45, 2x 10/25GbE SFP28

Peripherals
1x USB 3.0, 1x USB 2.0

Video output
SV-4041E-R6S:
1x VGA front, 1x VGA rear
SV-4041E-R28:
1x VGA rear

Integrated Dell Remote Access Controller
iDRAC9 Enterprise

Performance
Up to 4135 Mbps / 1050 cameras

Mechanical and environmental

Operating temperature
50°F to 95°F (10°C to 35°C)

Operating humidity
8 - 80% (non-condensing)

Compliance standards
IEC 60950-1, European Norm EN 60950-1, CISPR 22/CISPR 24, EN55022/55024

Expansion
Up to 2x LP

Cybersecurity

Endpoint protection
Arctic Wolf Aurora Protect machine learning antivirus

Hardened image
200+ security settings changed by default

Maintenance
Verified Windows updates
Connected services for Genetec software and device firmware updates.

Storage

Drive type
Enterprise HDD

OS drive
SV-4041EX-R6S: 2x 480GB SATA (hot-swappable)
SV-4041EX-R28: 2x 480GB M.2 NVMe (hot-swappable)

Available drive sizes
16TB, 20TB, 24TB

RAID controller
H755 (8GB NV cache)

Data RAID level
SV-4041EX-R6S: RAID1
SV-4041EX-R28: RAID 6 or RAID 60

Maximum data storage
672TB (raw); 574.85TB (usable)

Warranty and support

Hardware warranty
5-year warranty with next business day on-site service and Keep Your Hard Drive

Security Center support
All general availability, restricted availability, and extended maintenance versions

Models

Model	Form factor	Bays	Dimensions (W x D x H)	Max weight	Power (100-240v)
SV-4041EX-R6S	1U	Up to 8x 2.5”	17” x 29.46” x 1.685” (434mm x 748.79mm x 42.8mm)	48.3 lbs (21.9 kg)	2x 800W
SV-4041EX-R28	2U	28	17.63” x 35.74” x 3.4” (448mm x 907.74mm x 86.36mm)	88.18 lbs (40 kg)	2x 1400W
