Streamvault SVW-100E

Security workstation

The Streamvault™ SVW-100E workstation is a compact device optimized for the needs of security operator desks managing access control along with limited video viewing. It delivers smooth playback of up to 49 HD streams.

Guaranteed performance

› up to **2** monitors

› up to **49** HD streams

Key features

- Turnkey workstation with Genetec™ Security Center pre-installed
- Connect up to 2 monitors
- 5-year hardware warranty with Keep Your Hard Drive

Benefits

Compact design – With its small form-factor, the SVW-100E workstation fits seamlessly into your environment.

Smooth performance – The SVW-100E workstation takes advantage of the Security Center GPU-accelerated decoding feature to deliver fluid playback of live and recorded high definition video.

Turnkey deployment – All Streamvault solutions come with Security Center pre-loaded and ready to go, so you can get your system up and running faster.

Applications

Corporate offices

Whether you are looking to add a security workstation to your office or provide live viewing capabilities to reception staff, the SVW-100E workstation is a cost-effective solution for corporate environments.

Retail

Display live camera feeds in public areas using a discreet workstation that can be easily be stored behind the counter, and enhance safety and security.
